Policy for the Admission of Persons with Disciplinary Dismissals

Niagara County Community College is committed to providing an opportunity for all qualified applicants to receive a quality education. Applicants who have been dismissed from an institution of higher education for disciplinary reasons, may be accepted to study at Niagara County Community College, providing the applicant is able to successfully satisfy the evaluation process.

An affirmative response to the disciplinary dismissal question will not automatically prevent admission, but you will be asked by the college(s) to which you have applied to provide additional information. This information will be reviewed by a campus committee to ensure campus safety. Any falsification or omission of data may result in denial of admission or disciplinary action.

In order to insure fair and impartial screening of each applicant who has any dismissal(s) from an institute of higher education, a review process that involves the Director of Admissions or designee and the Vice President of Student Services or designee, will be completed for each such applicant.

Applicants’ with previous dismissal(s) from an institute of higher education must successfully complete a questionnaire that will include, but is not limited to, personal information and intended program of study.

Applicants who have been dismissed from an institution of higher education for disciplinary reasons must also provide a letter of recommendation from the Vice President of Student Services or similarly ranked official from the relevant institution, and the applicant’s records/transcripts from any previously attended College(s).

Failure to disclose disciplinary dismissals, or intentional misrepresentation within any area of the application process, may result in the immediate dismissal of any student found to be culpable.
