

August 17, 2009

**NEW TRAFFIC PATTERN:**

The following traffic changes are being implemented prior to the start of the fall semester. Please see the map below.

1. The interior link between the inbound and outbound loop is being removed during the week of Aug 17<sup>th</sup>.
2. The south entrance to Lot 1 will become One-Way In beginning August 24<sup>th</sup>. All traffic exiting Lot 1 will have to use the north exit (closest to the buildings) and exit via the loop.

This should reduce congestion at the Route 31 and allow both inbound and outbound traffic to move more smoothly. Thank You.

**Dennis P. Dragich**  
**Vice President, Operations**
