

Financial Aid for the Summer Term

Please be advised that if you are planning on using Financial Aid to cover your tuition expenses for the summer semester, you should first contact the Financial Aid Office as your eligibility may be limited. Financial Aid can be reached at (716) 614-6266.

All financial aid is tentative until you attend classes - Financial aid will not pay for classes in which you enroll but do not attend. If you do not plan to attend a class, you must go to Add/Drop to remove the course from your schedule prior to the start of the refund penalty period (see Refund Schedule). Failure to do so places the financial payment responsibility on you. The same is true if you no longer plan to attend any classes at NCCC. (See the WITHDRAWAL/REFUNDS section).

Students whose first billing reflects financial aid or other scholarship or grant credits must sign and return such bill to the Cashier's Office to acknowledge that they wish to apply such credits (subject to adjustment) toward their outstanding charges. Failure to do so will cause such credits to not be considered as applied to outstanding charges, potentially putting the student's account in a state of default.

IMPORTANT NOTE: Know your Financial Obligation. Students are responsible for any charges offset by financial aid for which they become ineligible. Accounts with unpaid balances after tuition due date shall be considered in a state of default. All grades and records shall be impounded and ineligibility for any further registration will remain in effect until such time as the financial obligation has been paid. All costs and expenses incurred by the College in the enforcement of collection of past due accounts, including, without limitation, attorney's fees shall be the responsibility of the student.
