***\*If last day to drop w/o financial penalty falls on weekend, students are only able to drop online, not in person.***

***\*\*Foundations courses are not able to be dropped online. Students must follow the instructions found online here: [http://www.niagaracc.suny.edu/pdf/records/Add\\_Drop\\_Foundations\\_Course.pdf](http://www.niagaracc.suny.edu/pdf/records/Add_Drop_Foundations_Course.pdf)***

Modular (“Mod”) classes are those courses which are less than a full semester in length. These types of courses may be added at any time prior to the start of the class. If you choose to drop a mod class, the deadlines differ from those of the regular full term.

### **S/U Grades**

A grade of S will indicate satisfactory completion of the course and will receive credit. However, no credit is given for a remedial course. A grade of U will indicate unsatisfactory completion of the course and will receive no credit. Neither an S grade, nor U grade will affect your grade point average. If you are enrolled in an associate degree program, a maximum of 14 credit hours may be taken S/U. If you are in a certificate program, the maximum is 7 credit hours. It is recommended that these credit hours be taken outside of your major area of study.

Students must file an S/U form with the Registration & Records Office by the end of the tenth week of the regular semester. Once the form has been filed, the decision is irreversible.

Some courses are graded only on the S/U grading system. In this case, the instructor will notify you that this is the only grading system for the course and you do not have to file an S/U form.

For more information and forms, go to our website: <http://www.niagaracc.suny.edu/registration-records/>

### **W Grade**

The grade of “W” will not affect the student’s grade point average, but may negatively impact the student’s academic standing and/or ability to receive financial aid.

To withdraw from a course, a student is required to obtain an Add/Drop form from the Registration & Records Office (A201), which will identify the course being dropped. The student must complete and sign this form and return it to the Registration & Records Office for processing by the published deadlines.

For more information and forms, go to our website: <http://www.niagaracc.suny.edu/registration-records/>

## **X Grade**

If a student decides to withdraw from all of the courses for which he or she is registered, the student must file an application for withdrawal from the college available at the Registration & Records Office (A201). Before you file the withdrawal form, it is advisable to speak with a counselor in Student Development (A131) to explore your options and receive important information.

Students who withdraw from the college receive an "X" grade for all their current courses, and are removed from any future registered coursework. This applies to any modular courses which may have been completed, resulting in the conversion of performance grades to "X" grades. A grade of "X" does not affect GPA, but may negatively impact academic standing and/or ability to receive financial aid.
