Dear Liberty Families:

We invite students entering Grades 6, 7, and 8 in September 2017 to our three week annual summer camp that will be taking place at the Niagara County Community College. This camp focuses on engaging students during the summer with many hands-on experiences and workshops with the hopes of preparing them for their future. Students will have a unique opportunity to engage in workshops led by NCCC staff in topics such as Allied Health, CADD Design, and the Arts. This camp includes trips to the Culinary Institute, other educational fieldtrips, and STEM activities. Students can also participate in discussions and education led by Planned Parenthood. During these three weeks, your student will be working together with students from other schools in the Niagara/Lockport Region.

This summer camp is on a first come, first serve basis. Please fill out and return this form as soon as possible to reserve your child’s spot. Snacks and Lunches are provided. It is strongly encouraged that your child is dropped off at 9:00 a.m. and picked up at 3:00 p.m. If your child needs transportation, please check the appropriate box as space is limited for transportation.
