

NIAGARA COUNTY COMMUNITY COLLEGE
IMPORTANT GI BILL® *DEPENDENT* INFORMATION

Welcome to NCCC.

VA DEPENDENT EDUCATIONAL PROGRAMS:

- CH 35 Dependents' Education Assistance Program
- TEB Transfer of Educational Benefits (Ch 33 Post 9/11 GI Bill)

TUITION PAYMENT: Be prepared to pay tuition with finalized financial aid, cash/check/charge, or our payment plan; if you are receiving VA tuition benefits (Ch 33), please submit your Certificate of Eligibility to the Veteran Services Office to request tuition deferment.

INFORMATION / RESPONSIBILITIES:

- Monthly checks are mailed at the beginning of each month for the prior month; checks for books & supplies are sent directly to the individual (direct deposit is more common now).
- Enroll for courses required for your degree; additional courses may not qualify for benefits.
- Courses that run less than the full term may affect your benefits. Consult with the NCCC Veterans Services counselor upon registering for mod or late start courses.
- Repeating a passed course may not count toward training time.
- Transfer students must submit transcripts from other colleges immediately upon admission to NCCC.
- Submit a copy of your course schedule to B103 immediately after registering *each* term.
- Notify Veteran Services (B103) of any changes to your schedule within five days: ADD/DROP, Change of Curriculum, or Withdrawal.
- Chapter 33 requires enrollment greater than half time (generally 7 credits) to receive the housing allowance. Taking **all web** courses will reduce housing allowance significantly.
- Attendance and satisfactory progress are required to maintain eligibility for GI Bill benefits. Non-attendance and non-progress grades are likely to result in an overpayment. Consult with a counselor if experiencing difficulty completing coursework.
- Contact the VA Regional Processing Office or refer to the VA website for more information on benefit eligibility.
