

How to Complete the NCCC Student Billing & Payment Process

STUDENT BILLING CHECKLIST:

1. Access your Schedule/Bill on Banner Web
2. Make payment for any amounts owed by Payment Due Date
3. If necessary, obtain Certificate of Residency. Applicable for residents of New York State living outside Niagara County to avoid financial liability for Out-of-County charges
4. If necessary, sign up for a Payment Plan if unable to pay in full by Payment Due Date

FAILURE TO COMPLETE ANY OF THE REQUIRED STEPS IN ACCORDANCE WITH ESTABLISHED DEADLINES MAY RESULT IN ASSESSMENT OF A LATE FEE IN ADDITION TO THE RISK OF LOSS OF YOUR CLASS SCHEDULE.

IMPORTANT: Students must acknowledge having read, understood and accept terms of the Financial Obligation Agreement prior to registering for classes each semester. This means if you register for any classes, you are financially obligated to pay for them, regardless of the status or availability of any financial aid. As always, you can continue to make changes to your class schedule prior to the first day of the Term without incurring a financial penalty – check the refund/liability schedule posted online for specific dates. As a reminder, lack of attendance in one or more classes does NOT absolve your financial responsibility – we are saving the seat for YOU!

E-BILL ACTIVATION DATES – Date when students can begin accessing their billing documents for the term on Banner Web.

Approximate activation dates for E-Billing are:

Fall Term – June 13 Winter/Spring Term – November 15 Summer Term – April 8

PAYMENT DUE DATE - The date your payment must be received and billing process completed each term.

- Your payment and billing process must be completed by the date of registration OR the published Payment Due Date, whichever is later.

We also have an after-hours drop box: To the right of the Cashier's office is the elevator, and to the right of that is a short hallway. The drop box is on the left side of the hallway just before the door to the Business Office suite.

Pay by Phone: We do not accept payments by telephone.

When to pay: If you register prior to the Tuition Payment Due Date, your payment is due by the **Payment Due Date**. If you register on or after the Payment Due Date, your payment is due at time of registration. Each time you make a change to your course schedule that results in additional charges, the additional payment is due by the Payment Due Date or date of latest registration activity, whichever is later.

Step Three: Non-resident Tuition Charges for Residents of New York State Living Outside Niagara County

If you have been a legal resident of New York State for the past year but your legal residence was outside Niagara County, you have been charged tuition at the higher non-resident rate. These charges will be credited back to your account if you provide a valid Certificate of Residence ("COR") from your county of legal residence.

When to do your Certificate of Residence:

To be consider valid, CORs must be issued **NO** earlier than two months prior to the start date of the semester for which you have registered, and no later than thirty (30) days after the start of the semester. CORs issued outside this period do not meet requirements of NYS Education Law and will not be considered valid. CORs issued thirty (30) days after the start of the semester are subject to verification of validity prior to acceptance by NCCC.

Please Note: We understand not all students affected by non-resident tuition charges will be able to obtain their COR in the time frame between the first day a COR can be accepted and the Payment Due date. Sometimes this is a very small window opportunity. If you have timely completed all of the other billing steps and the only outstanding issue is COR paperwork, your class schedule will **not** be at risk. If you have non-resident tuition without a No Permit notation, and you have not fully covered this amount with payment and/or financial aid, your class schedule will be at risk.

How to obtain your Certificate of Residence:

FOR LEGAL RESIDENTS OF ALL NON-NIAGARA COUNTIES IN NYS: E-Mail, mail, drop off or use other county-acceptable means to submit your completed COR application (with NOTARIZED signature) to your County Treasurer's Office. (Most counties will accept the application format accessed via the link [here](#), and available in the Cashier's Office.) If qualified, your County Treasurer will issue you a COR. Submit the COR to the NCCC Cashier's Office. The non-resident tuition will be credited to your billing account once the Cashier's Office has received the original COR from your County Treasurer. Faxed copies are not acceptable.

Step Four: NCCC Payment Plan

NCCC offers a Payment Plan option whereby students may contract to make payments for academic charges. You will be charged a non-refundable fee to participate in the plan. **YOU MUST COMPLETE A PAYMENT PLAN APPLICATION FORM TO PARTICIPATE IN THIS PLAN.** You will find electronic and pdf format applications for current terms are available online at <https://www.niagaracc.suny.edu/tuition/forms/>. Paper Tuition Brochures are also available in our Cashier's Office, room A205.

You must re-enroll in the Payment Plan for each semester you choose to participate in this financing option.

Remember: Failure to complete required elements of the Billing & Payment Process may result in assessment of a late fee and/or possible loss of class schedule. Note that having NCCC drop your class schedule for you is **NEVER** guaranteed.
