Now Featuring Learning Commons Club Advertising!

I have some exciting news to share with you all! Our office has been given access to one of the TV's that are located in the Learning Commons to promote Clubs/Orgs. We were thinking it would be a really great idea to have club meetings times continuously playing on the TV's so that students can see that information while hanging out there. All I would need from you is an 8.5x11 horizontal JPEG image with the information on it to post on TV's. Think of it like a flyer about your club! If you want to advertise your club events on the TV, we would need the same thing, just TWO WEEKS IN ADVANCE!

If this is something that interests you send the JPEG's my way and we will have them put up on the TV for you!

One Love Training

Keep your eye out for more information on this GOVERNMENT MANDATED training coming up this semester. If you don't have all clubs participate we **will LOSE SUNY FUNDING**. Your club is **required** to participate in these trainings if they want to continue to be an active club on campus. We will have more information for you soon!

Meat Auction!

Our second Meat Auction of the year is approaching! We use this event to help fundraise for our end of the year bash, Thunderfest! Save the date for March 30th! More information on tickets and times will be coming soon.
