Clubs & Organizations

Welcome

Hi everyone! This month's newsletter is short and sweet. I just wanted to say thank you for this year! I had a great experience learning with you all in my first year at a professional level. I'm even more excited for next year, we have some exciting changes coming!

I also wanted to let you know that for the '19/'20 year, my position will be changing a bit. I will be more Student Senate and clubs/organizations focused. I will be much more available to assist you all in making your clubs excel. My time will be more dedicated to making sure that all clubs/organizations are meeting Student Life's expectations and that we are meeting your expectations! I am so excited for this change and I can't wait to see where we can go from here!

Funding Requests

Student Senate has entered the final stages of making the budget for the '19/'20 school year, and to be transparent with you all, it's tight. We received a handful of funding requests from clubs/orgs, but for the ones that never submitted anything the funds that will be available next year will be very slim.

Once the budget has been approved by the necessary people, someone from the finance committee will be letting those who submitted a request know what they were approved for.

NCCC Awards Night

HUGE thank you to all who attended the Awards Night! It was a great success and we could not be more proud of our student leaders!

Club Reactivation

I will be sending out a Club Reactivation form in the next week, so be on the lookout for that! If your club plans to continue being active next year, I will need it filled out and returned to me NO LATER THAN May 13th at 2pm. As my last day for the year will be May 15th and I will need time to reorganize for next year.

Advisors Still Needed

Strategic Games and CRU Club are in need of an advisor, if you know anyone who is interested, please send them my way. Thanks!
