

Clubs & Organizations

Welcome

Hello everyone! Welcome to the first annual Student Life Clubs and Organizations Newsletter. I am so excited to be creating this for you all and hope you enjoy reading it as much as I enjoyed creating it! I will be sending one out during the first week of each month from here on out.

If there is anything that you or your club representatives want to include in the monthly newsletter please feel free to send the information to me at least a week in advance.

Reminders

I just wanted to touch on a couple of important points.

Please make sure that your clubs are getting all their required paperwork for the semester! We need all Member and Officer Registration Forms. These will allow our office to know who is in each club and who needs to be contacted for what. I also want to include club officers in this Newsletter and can't do that without their information!

Also, don't forget to make sure that each club is sending me the meeting minutes and attendance from each meeting!

If these requirements don't get filled, your club can be refused club recognition and funding.

Opportunities

The Office of Student Life will be selling discounted tickets to Frightworld in Tonawanda for \$5.00 a piece! This is a great deal and an even better idea for clubs to bond. Please spread the word and if interested stop in our office to buy your ticket! Spaces are limited and there is no transportation provided.

Student Life GroupMe

I've sent out an email or two about this but I wanted to mention it again! The Office of Student Life is starting a GroupMe group message for all Club Advisors! We think it'd be a really easy and beneficial way to communicate with you all. It can be used on either your smartphone or your computer. If you decide to participate in this awesome opportunity, please let me know what email you decided to sign up with and I will add you to the message!

Here is a link to the groupme website if you would like some more information: <https://groupme.com/en-US/>

Leadership Weekend

Student Life is offering an amazing opportunity for club members to develop their leadership skills, meet new people, and grow in who they are. The weekend of October 26th-28th, we will be taking students to Beaver Hollow Conference Center in Java Center New York for a Leadership Conference. There will be tons of fun activities such as, a low ropes course, a nature hike, bonfires, and a movie marathon, just to name a few! There will also be a leadership speaker, Mike Fritz, who has come to our campus before!

Spots are limited, so if any club members are interested, we highly suggest coming into Student Life as soon as possible! Tickets are \$20.00 if bought before 10/15/18 and \$25.00 after. If you or any club members have questions, please feel free to stop into our office (G117D) and we'd be happy to help!
