Voter Education Information

Niagara County Community College supports students in exercising their right to vote. Please take the time to register to vote today and use this awesome power.

Throughout the year, students will be provided the opportunity to register to vote or to apply for an absentee ballot if they would prefer to vote in their local legislative district. Visit this website <http://www.niagaracc.suny.edu/voting/index.php> for information. Contact Julia Pitman, jpitman@niagaracc.suny.edu if you have specific questions.

Barnes & Noble Bookstore Rental Returns & Summer Term Information

The deadline to return rented books for the spring term has been extended until the end of the first week of the fall term. Emails detailing the return process are being sent to the address that students provided when renting the books. Students should check that email address. These emails include order & return information as well as instructions on how to print a free UPS label to ship the books back. Please visit the bookstore websites at <https://niagaracc.bncollege.com> or <https://niagaraaculinaryinstitute.bncollege.com> for more information.

The plan to reopen the bookstores is being developed in partnership with the NCCC Reopening Committee. The date to begin walk-in sales will be determined once direction is provided by the Governor, SUNY and NCCC. For summer session 1, all sales are planned to be online for delivery only. The plan for summer session 2 has not yet been determined. The safety of our staff and students is paramount. When permission is given to once again allow walk-in sales, safeguards will be in place for bookstore employees as well as social distancing protocols for customers such as line queue spacing and door controls. Please visit the websites or to contact the bookstore at sm760@bncollege.com if you have other questions. Thank you and stay safe!
