A weekly newsletter with news and information for NCCC Students

Registration & Records Information:

Fall 2020 Student:

A few weeks ago, you received an email about the variety of instructional methods that will be offered in Fall 2020, including blended, hybrid, web and on-campus courses. This has created some changes to our course offerings, possibly impacting classes you have already enrolled in.

We urge you to log into [Banner Web](#) on a regular basis to check your schedule to ensure you are in the method of instruction you prefer. Schedule changes are on-going, so your schedule may be subject to change.

We are offering this [video](#) to explain the various instructional methods we are offering. You may also view this [One Stop Resource Document](#) for other help and resources.

If your class schedule has been affected, you may add/drop classes within [Banner Web](#). If you need advisement assistance in choosing different courses, please contact your advisor or the [Student Resource Center](#). You can also find a link to our Fall Reopening Plan here: <http://niagaracc.suny.edu/coronavirus/>.

Thank you for your patience and understanding during these challenging times. We thank you for your decision to attend Niagara County Community College and look forward to helping you reach your academic goals.

Fall Semester is fast approaching and Tripp has a few reminders when you come to campus:

- ✓ Please remember to wear your mask
- ✓ Be sure to have your student ID with you for check-in at either Learning Commons entrance
- ✓ Sanitize and wash your hands often
- ✓ You are required to fill out a short COVID-19 screening survey each day BEFORE you arrive on campus. This can be found on BANNER.

Thank YOU for helping us keep our campus safe!
