

# Weekly Wolf for November 30, 2020

A weekly newsletter with news and information for NCCC Students

## REMINDER from NCCC President Murabito:

With the constant changing of guidance and direction associated with COVID-19, NCCC wants to provide details on what to expect for the remainder of the fall semester. Based on the directive from SUNY and in accordance with NYS recent guidance the following details pertain to our campuses plan:

### Pool testing (Post-Thanksgiving):

- The week of 11/30/2020 on Tuesday, Wednesday and Thursday, from 10 am-3 pm we will be conducting testing on 100% of students, staff and faculty that have any onsite presence. The Sanborn campus will be performed in the Dolce Valvo Art Gallery located adjacent to the Learning Commons.
- On 12/2/2020, from 8 am to 4 pm, testing will be conducted at the NFCI campus. This testing will be in the Culinary Theater located on the 1<sup>st</sup> floor of the campus.
- This testing is mandatory and in direct compliance with SUNY directives and our approved fall testing plan. Failure to comply will result in access to the campus being denied.

### Instructional Schedule:

- The campus will continue to have onsite instruction pre and post-Thanksgiving. Some courses will move to fully remote learning, many labs, technology specific dependent courses and high contact courses will continue to be conducted in face to face settings on campus.
- For a full list of courses and instructional methods with a face to face or hybrid component, use the following link as a reference. Students will be contacted by their program instructors to verify instructional modality for the end of fall period.

Should there be any questions or concerns please reach out to Wayne Lynch, VP of Administration ([wlynch@niagaracc.suny.edu](mailto:wlynch@niagaracc.suny.edu)) or Catherine Brown, AVP of Human Resources ([cbrown@niagaracc.suny.edu](mailto:cbrown@niagaracc.suny.edu)). For student specific questions concerning testing, please contact Julia Pitman, VP of Student Services ([jpitman@niagaracc.suny.edu](mailto:jpitman@niagaracc.suny.edu)). For academic/instructional information contact Lydia Ulatowski, VP of Academic Affairs ([ulatowsk@niagaracc.suny.edu](mailto:ulatowsk@niagaracc.suny.edu)). Please be aware as SUNY and NYS guidance is updated or augmented, we will flex our plan to ensure safety and compliance with respect to our COVID-19 mitigations measures.

William J. Murabito, Ph.D.,  
NCCC President

## Student Life Activities:

### WE NEED YOUR HELP

The Giving Tree is located in the Learning Commons. Each year we receive names from local nonprofit agencies assisting children. Please take a name from the tree, log the tag in the book on the table, purchase a gift and bring it unwrapped to the Student Life Office, G243 (Sanborn campus). **Thank you!**

There has also been something a little different added this year. One of the organizations will be putting together "Family Gift Baskets" for their families, instead of having individual gifts for their children. They are looking for donations of perhaps some of the following items to fill the gift baskets:

IDEAS: - jars of sauce, boxes of pasta, jars of peanut butter & jelly, snacks, gift cards, family activity gift certificates, grocery store gift certificates, DVD's, Red Box codes, board & card games

Not on campus? Want to make a donation to the Family Gift Baskets for the Giving Tree, but don't know what to buy? Or you just want to have a more convenient way to contribute. Click on the link below to go to the Student Life Wish List and have your donation sent directly from Amazon to the Student Life office. NOTE: Be sure to select the College Association address when you check out as the "ship to" address.

Instead of exchanging gifts for the holidays, think about taking a name from the tree. Please give with your heart, as this might be the only gift the child will receive. **Let's make this a special NCCC event!!!** The gift donation deadline is Thursday, December 10<sup>th</sup>, 2020.

Any questions, please contact Student Life at ext. 6255 or email us.

**Thank you!**
