

The State University of New York (SUNY) and Niagara County Community College are committed to ensuring the safety and wellness of our students, faculty, and staff during this time of the COVID pandemic. As such, we are following special guidance from SUNY that may affect Spring 2021 course schedules.

While the semester begins on Tuesday, January 19, 2021, most lecture classes will assume a remote learning format until Monday, February 1, 2021. The exceptions given to us by SUNY for courses allowed to meet in the regularly scheduled face-to-face format beginning January 19 are as follows:
