Campus Climate Survey: Your Voice Matters!

NCCC is encouraging all students to participate in the Campus Climate survey that will be launching on February 15, 2021.

The anonymous online survey asks students about their perceptions of campus culture and safety, including their experiences with sexual harassment, sexual assault, stalking and relationship violence. The university will use the results to better understand the prevalence of these incidents in the campus community and to inform improvements in programs.

All NCCC students 18 and older who are enrolled in at least one class for credit (excluding all high school students regardless of age), will receive an email from survey@suny.edu containing the link to the survey in the upcoming days.

We encourage all students to participate in the survey, regardless of whether or not you feel as though these issues impact you personally. Larger response rates will increase the reliability of the results.

In addition to taking an active role in tackling this issue, students who participate will also have the chance to win a \$100 Amazon Gift Certificate. Upon completion of the survey, students will be provided access to a separate questionnaire to submit your name for this randomized incentive drawing. Clicking Submit on the Climate Survey severs the link irretrievably with the Incentive Survey. This means that when you enter your name and email address, it cannot be tracked to your responses to the Climate Survey.

New Student Calendar:

As a result of reviewing student communications to streamline information, Registration & Records and Career & Transitional Services have created a new STUDENT CALENDAR which can be found under the MyNCCC link at the top of College's homepage or by clicking the STUDENT CALENDAR graphic. This

will combine a variety of documents into a centralized calendar, such as Important Dates, Student Guide and Key Dates normally distributed by the two offices. This calendar will provide key enrollment dates in a centralized location on our website. Let us know how you like it!

Alissa Shugats-Cummings, Director of Career & Transitional Services

Mandatory COVID Testing:

As a reminder per the SUNY mandate, there will be weekly mandatory COVID testing for all those students that come to campus until further notice. Failure to comply will result in denial of entering into the building, until a negative test is provided. This is a swab saliva test, not a nasal test.

The test location on the Sanborn Campus is in the Learning Commons in the Art Gallery. Please preregister at www.suny-covid-test.com. **As of today**, the following are the dates and times when the testing will be performed at the

Sanborn Campus:

Monday-8am to 3pm Tuesday-8:30am to 3:30pm Wednesday-10am to 6pm Thursday- 8:30am to 3:30pm Friday-8am to 3pm

Student ID:

All NCCC students must have a college ID and carry it with them on campus at all times. They are required to present this card upon the request of a Public Safety officer. The NCCC Public Safety Department issues college ID cards to all students. Your college ID functions as your library card and grants you access to the College computer labs, fitness center, assists with screening when you come in, and allows you to attend NCCC-sponsored events. If you don't have an ID, please go to the Public Safety office in G-Building and show them your schedule to receive one. It doesn't take that long to get one and will save you time in the future.
