A weekly newsletter with news and information for Niagara County Community College Students

Registration/Records Office:

Summer & Fall 2021 Current Student Registration Begins March 22nd!

Registration for students currently enrolled in the Spring 2021 term AND in a degree and/or certificate program starts on Monday, March 22nd. **Detailed information about current student registration was sent to your T-Wolves Email. Please read your email for the date and time you are eligible to register for classes in Banner Web or check your Registration Eligibility at the top of your degree evaluation in Degree Works.** More detailed information can be found on the [Current Student Registration](#) webpage.

Course Offerings are now available on Banner Web. NCCC plans to resume in-person instruction as our primary mode of course delivery. We are excited that our students will again be able to take advantage of the vast academic, research and student life opportunities available across our campus. Compliance with pooled testing and mask-wearing, along with expanded vaccine availability in our community, will continue to be essential elements for the health and safety of our campus. There will be a variety of flexible instructional methods offered in addition to traditional face-to-face options. Learn more at <https://www.niagaracc.suny.edu/onlinelearning/methods/>.

Non-Matriculated students (not in a degree or certificate program) can schedule classes starting April 12th. Detailed non-mat registration information is located on the [Non-Matriculated Student Registration](#) webpage.

Questions? Check out our [FAQ's](#). Take advantage of this opportunity to create the best schedule for yourself!
