Enforcement

The responsibility of locating a legal parking space rests with the vehicle operator. Parking tickets will be issued for those who are not in compliance with the parking rules and regulations set forth. The fact that a person parks or observes others parking in violation of any parking regulations without being cited does not mean that the regulation is not in effect.

Parking Fines

Parking fines may be payable in person or by mail to:
Town of Cambria Justice Court
4160 Upper Mountain Road
Sanborn, NY 14132

Assistance

The officers that comprise the Department of Public Safety are here to assist both inside the College and out. In our parking lots, officers may assist with jump starting your vehicle with a booster pack, attempt to open your vehicle if locked out, provide escorts to your vehicle, and assist you in the event of an accident, injury or theft.

Speed Limits

Roads- 30 miles per hour

Parking lots- 15 miles per hour

The Niagara County Sheriff's Office enforces all moving violations.

Weather conditions, heavy traffic, pedestrian traffic, performed work (plowing, repair) and officers providing Traffic Control should cause a reduction in your speed. NCCC provides healthy solutions to our students, employees and visitors by providing out- door running, jogging or bicycling area. Speed should be a factor in providing a safe place for our enthusiasts.

Parking Lot Security

The roads and parking areas at NCCC are randomly patrolled by Public Safety officers. Electronic surveillance also assists our officers in providing a safe campus for all to enjoy.

For more information on parking, traffic regulations or services that the NCCC Department of Public Safety offers, please feel free to visit the Public Safety Office in the Student Center, room G-106.
