

# NIAGARA COUNTY COMMUNITY COLLEGE

# Psychology, A.S.

#### **Overview**

NCCC's Psychology program is curated for students who are interested in the scientific study of behavior and mental processes. Our curriculum offers introductory courses in general psychology as well as advanced subjects which investigate abnormal psychology, developmental psychology, social psychology, and methods of scientific inquiry in psychology. Graduates typically aim to become counselors, therapists, psychologists, and researchers.

Designed for transfer into a 4-year institution.
