

NIAGARA COUNTY COMMUNITY COLLEGE

Physical Education Studies, A.S.

Overview

The Physical Education Studies program prepares students for success in Pre-K to 12 Physical Education teacher preparation programs. Courses are offered in a seamless sequence that meets the SUNY General Education requirements. Students learn first-hand about their career path through multiple opportunities for professional development that include shadowing professional educators in Western New York schools. The coordination of classroom learning and practical experiences lead to solid transfer opportunities at four-year institutions.
