## **Student Housing Village Staff:**

### **Director of Student Housing**

Responsible for the oversight of all aspects of the Student Housing Village at Niagara County Community College consistent with College’s mission, vision and goals. Establishes and administers policies and procedures, develops an annual recruitment and marketing plan, prepares and administers budgets, oversees all programming and operational aspects, and works with college departments to achieve student success initiatives. The Director of Student Housing (hereinafter after referred to as “Housing Director”) reports to the Executive Director of the College Association of Niagara County Community College.

### **Assistant Director of Housing and Residential Life**

The Assistant Director assists in the development of the Residence Life program at the Student Housing Village, consistent with College’s mission, vision and goals. He/she administers policies and procedures of the Residence Life program and works with college departments to achieve student success initiatives. The Assistant Director manages and performs administrative functions related to the operation of the residence hall operation. The Assistant Director is in charge in the absence of the Housing Director. The Assistant Director reports to the Housing Director.

### **Resident Assistants**

Resident Assistants (“RA”) are student-residents employed by the Office of Student Housing. The primary responsibility of an RA is to assist in ensuring student safety and promoting community within the residence hall through programs and organizing activities within the building. RAs are also available to assist residents with any issues and concerns that may arise, including roommate conflicts.

## **Security**

To maintain the security and safety of the building and residents during evening and weekend hours, the Student Housing Village has security available to respond to any emergencies. Security officers assist the Office of Student Housing staff in promoting the safety and well-being of the building and its residents. Residents should bring any emergency or safety concerns to the security office at SHVC in Sanborn, outside of normal business hours.

## **Eligibility**

Residents of the Student Housing Village must be students in “good standing” with NCCC. “Good standing” means the student is not subject to academic dismissal and/or disciplinary suspension or dismissal. Students released from “good standing” for any reason from the College will immediately forfeit their right of occupancy as a resident of the Student Housing Village.

Residents must also be registered for a minimum of six (6) credits at NCCC and a signed Student Housing License Agreement (“License Agreement”).

Students who have their License Agreement revoked may no longer access Student Housing Village property and remain responsible for all costs and fees associated with their License Agreement.

## **Student Housing Village Code of Conduct:**

### **Disclaimer**

The Office of Student Housing may terminate any resident’s License Agreement at any time at the discretion of the Housing Director for reasons of health, safety, security, conduct and/or damages, excessive filth, or for the failure to comply with the resident’s License Agreement.

It is understood that the occupancy right granted to each resident is a revocable License Agreement and not a leasehold or other interest. While the rules and regulations contained in this handbook attempt to highlight the circumstances that may lead to termination of a resident’s occupancy, the Office of Student Housing shall have complete discretion to terminate a resident’s occupancy (whether specifically designated herein, in the License Agreement or not). Likewise, it shall be within the discretion of the Office of Student Housing to consider any specific circumstances in reaching such decision. Please see sections XII and XIII of the License Agreement for more information regarding occupancy and removal. Residents should note that if their License Agreement is terminated for any reason, they shall forfeit their security deposit as an early termination fee.

A decision by the Office of Student Housing to not enforce any rule or regulation or terminate any resident’s occupancy shall not act as a waiver of the Office’s right to enforce such rule and regulation in the future. No resident shall have the right to enforce these rules and regulations against another resident, unless employed by the Student Housing Village and then as directed.

The Office of Student Housing reserves the right to inspect rooms, suites and contents by its authorized personnel at any time for the purpose of administering the provisions of the License Agreement and this handbook. Residents should be aware that they are responsible for what occurs in their suites/rooms whether or not they are present. This means that you will be held responsible for any misconduct that occurs in your suite/room. The rules and regulations contained in this handbook are subject to change by the Office of Student Housing in its discretion by posting such in the building or by individual written notice.

## **Community Expectations**

Students of NCCC, and residents at the Student Housing Village are expected to conduct themselves in accordance with conduct appropriate for an academic community living environment. As a member of the Student Housing Village community, residents have rights and responsibilities granted to them.

Residents have **the right** to live comfortably and securely while enjoying the community that they have chosen to live in.

Residents have **the responsibility** to ensure that their behavior does not infringe on any other resident's ability to live comfortably and securely.

As a resident of the Student Housing Village, you agree to abide by all local, state and federal laws, as well as all College and Student Housing Village policies. These policies are contained in the NCCC Rights and Responsibilities (Code of Conduct), the SHVC License Agreement and this handbook.

Failure to act in accordance with the rules and regulations outlined in this handbook may result in Student Housing Village disciplinary action (including termination of the License Agreement) and/or civil/criminal action and/or financial liability. By assuming occupancy at the Student Housing Village, you agree to abide by Student Housing Village policies, including the disciplinary policies and procedures outlined below.

## **Property**

The Student Housing Village, including all employees, do not accept liability for lost, damaged, or stolen personal property. The resident holds the Student Housing Village, its owners and employees harmless against all such loss. Residents have the responsibility of keeping their rooms (including windows) locked at all times. **The Office of Student Housing urges all residents to invest in adequate personal renter's insurance.**

## **Security Deposits**

A Security Deposit of \$200 was deposited prior to occupancy. The condition of the room at the time of occupancy is established by completing an Apartment Condition form immediately upon arrival. When moving out, if any damage/cleaning charges are assessed, they will be deducted from this deposit. If the resident owes more than \$200, they will be billed. If the resident is charged less than \$200, the balance will be refunded within 60 days of checking out of their room/suite. The \$200 Security Deposit is separate and distinct from the application fee (\$75), which is non-refundable. Residents should note that if their License Agreement is terminated for any reason, they shall forfeit their security deposit as an early termination fee.

## **Damages**

Residents are held personally responsible for the condition and furnishings of their own room. The use of any materials on walls, ceiling, furniture, and woodwork (including doors) that cause damage is expressly prohibited. The room and room/suite must be left in clean and rentable condition and in the same material condition as when the resident moved in. Intentional or reckless conduct which results in damage (including tampering or defacing), loss, theft, or unauthorized use of property of the Student Housing Village or of any person or business is prohibited. The unauthorized use of the Student Housing Village for personal gain is also prohibited. Damage or vandalism occurring in common or public areas, e.g., resident lounges, elevators, building lobbies, etc., will be assessed to all residents registered in that common or public area and jointly responsible for public areas at the time of the damage or vandalism. A resident is also responsible for the loss, theft or damage to the residence and/or personal property by his or her guest(s). This assessment will be applied first to the resident's security deposit, with any amount over \$200 billed to the resident.

### **Students Responsibility in Room/Suite Furniture and Walls**

- All residents in a room/suite will be considered responsible for the furnishings and appliances in the room. Residents will be billed for the replacement or repair of any damaged items.
- Each resident's room is equipped with a bed, mattress, closet/wardrobe, dresser, desk and chair.
- Only beds supplied by the Student Housing Village are allowed.
- The student shall make no alterations to the unit, the room/suite complex or move, remove, disconnect or install any fixtures, furniture, equipment, or appliances situated therein without the written approval of the Office of Student Housing.
- The walls cannot be painted, papered, stenciled, or sponged. Any color change is subject to a minimum \$400.00 maintenance fee.

### **Parking**

Parking at the Student Housing Village is available for participating residents. Parking is available in the lot next to the residence hall (Lot #6). To park a vehicle in lot #6, resident students must obtain a parking permit and properly display this permit in their vehicle. The parking permit is available at the Student Housing Office.

NCCC Security and Student Housing personnel are responsible for enforcing parking rules and regulations for vehicle located in lot #6. Standing or parking is not permitted in the loop located behind the complex as this is a fire lane.

Any unauthorized, or unregistered vehicles will be towed at the owner's expense. Guests parking in lot #6 are required to display a guest parking pass that can be obtained from the security and/or housing office.

### **Room Changes**

Part of the residential experience is becoming a member of a diverse learning community with the objective of learning from, and how to live with, others. When roommates and/or suitemates face disagreements, they should first try to resolve these conflicts themselves. If this is not successful, the Resident Assistant should be contacted. A room change should be viewed as a last resort, and not a first option. Room change requests can be submitted in the Office of Student Housing, beginning the second week of classes in the semester. Requests will be honored on a first come, first served basis, provided that there is availability. Room changes cannot be guaranteed.

Any room change granted by the Housing Director and/or Assistant Director of Housing and Residential Life after the 4<sup>th</sup> week of classes of any semester will incur a \$40 room cleaning/change fee, payable at the time the room change is made. No room changes will occur until this fee is paid. Any resident, who chooses to switch bedrooms or apartments without the Housing Director and/or Assistant Director of Housing and Residential Life's approval will be required to move back to their original room and will be charged a \$100 fee.

If an opening occurs in a suite or room the remaining residents within that suite will be expected to accommodate another roommate/suitemate. Residents are expected to welcome new roommates/suitemates in a hospitable manner. Residents who have an empty bed in their suite or bedroom are expected to maintain the space in such a manner as to allow another resident to move in immediately. Residents may not expand to fill all space in a suite making it inhospitable to another resident.

### **Common Areas**

As a resident of Student Housing Village, you should feel welcome and free to use all common areas throughout the building for informal gatherings. The Great Room located on the second floor is locked 24 hours per day. Access will be granted to those who sign out the room and pay a \$50 refundable deposit (for parties of 4 or more) to the SHV Office. This is a great quiet place to study.

## **Recess Periods**

Resident housing will **close** during scheduled recess periods during the academic year. These include: Thanksgiving, Winter Recess, and Spring Recess. Residents must make prior appropriate travel arrangements. Scheduled closing times will be sent to the resident. Residents who have a legitimate academic purpose, or those who live a large distance from the Student Housing Village may apply to stay for these breaks in advance. Please be aware you will be charged an additional amount if approved to stay over break. Please reference to the Introduction section in the 2022-2023 License Agreement for more information.

## **Emergency Procedures**

The Office of Student Housing understands and respects a resident's right to privacy. However, when safety, repair, or emergency maintenance issues arise, we reserve the right to enter and inspect any room/suite and make repairs where necessary without notice.

### **Emergency Procedures**

Depending the scope of the emergency as well as the area(s) of campus affected, specific campus responses are in place with regard to student/parent communications, evacuation and relocation procedures and resources available to students.

### **Emergency Preparedness for Residents**

As Colleges are not immune from emergencies and disasters, SHVC has plans in place to respond accordingly. However, it is everyone's responsibility to prepare for emergencies. Contained in this guide are some emergency procedures that students are expected to follow in the event of an emergency. Always comply with the instructions from Student Housing Staff and Security.

### **Communicating to Students**

For the health, safety and emotional well-being of students living on campus, it is important that students and parents are kept informed of the status of any emergency. The following methods of communication to students may be utilized during an emergency:

- E-mail messages utilizing college email accounts
- Announcements on the Campus website (<http://www.niagaracc.suny.edu/>)
- Announcement on the campus monitors on main campus - Normal programming will be interrupted, advising students of emergency circumstance.
- Posters/fliers distributed/posted
- Floor meetings
- Door-to-door announcements by Housing Staff and/or Security staff
- Public address systems on Sanborn campus

Depending on the emergency, students will be expected to act in accordance with instructions communicated by Housing Staff and Security staff. Instructions include but are not limited to the following:

- No specific action necessary
- Limited facility/utility usage
- Evacuation
- Temporary relocation
- "Shelter in place" (stay in your room or lounge)
- "Lock down" (stay where you are and lock and/or barricade the door)

## **Closing the College Campus**

To find out if the campus is closed due to weather or other emergencies, an announcement will be made using NCCC's Emergency Texting System. Enrollment required. Students may also learn about closings through the following TV and radio stations:

TV stations 2(WGRZ), 4(WIVB), and 7(WKBW) are recommended stations for closing information since they have agreed to provide the most specific information.

The following radio stations will also provide closing information, but it will be a general message:

AM Stations: WGR (550), WBEN (930), WNED (970), WHLD (1270), WLVL (1340), WJLL (1440), and WKBW (1520).

FM Stations: WBUF (92.9), WBLK (93.7), WJYE (96.1), WGRF (96.9), WKSE (98.5), WTSS (102.5), WEDG (103.3), WHTT (104.1), and WYRK (106.5).

Remember — During any emergency it is important to remain calm. Do not argue with security, police, fire, or residence hall personnel called to handle the emergency. Cooperating with officials will decrease the potential danger during an emergency. Failure to comply with reasonable requests of officials is subject to a sanction. Questions and/or concerns about what has happened should be directed to your RA or other Student Housing Staff.

## **Bomb Threats**

If someone calls saying that there is a bomb, try to get as much information from the caller as you can, such as where and at what time is it supposed to go off. Immediately call Security (Sanborn Only - 716-731-8855) and your RA, or any other Housing staff member. Give your name and the exact information you received. Do not investigate, but rather be alert to unfamiliar objects along exit routes. Do not touch anything and never pull the fire alarm!

## **Missing Persons**

This applies to students who reside in campus housing, operated by Student Housing Village. The purpose of this policy is to establish procedures for the college's response to reports of missing students, as required by the Higher Education Opportunity Act.

For purposes of this policy, a student will be considered missing, if a roommate, classmate, faculty member, family member, or other campus person has not seen the person in a reasonable amount of time. A reasonable amount of time may vary with the time of day and information available regarding the missing person's daily schedule, habits, punctuality, and reliability. Individuals will also be considered missing immediately, if their absence has occurred under circumstances that are suspicious or cause concerns for their safety.

### **Procedures for designation of emergency contact information**

- a.** Students age 18 and older and emancipated minors – Residence students are required each semester to designate an individual or individuals to be contacted by the college “in case of emergency.” In the event a student is reported missing, college personnel or the Housing Director, will attempt to contact his/her emergency designee no more than 24 hours after the time that the student is determined to be missing in accordance with the procedures set forth below. An emergency contact designee will remain in effect until changed or revoked by the student. This contact information will be registered confidentially and will only be accessible to authorized college officials and local law enforcement in the furtherance of a missing person’s investigation.
- b.** Students under the age of 18 – In the event a student who is not emancipated is determined to be missing pursuant to the procedures set forth below, the college or the Housing Director of Housing is required to notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing in accordance with the procedures set forth below.

### **Official notification procedures for missing persons**

- a.** Any individual on campus who has information that a student may be a missing person must contact security or Student Housing Staff as soon as possible. The Housing Staff will then notify the Vice President of Student Services and confirm information with the NCCC Security Department. Note: If a commuter student is believed missing, the reporting person should immediately notify local law enforcement authorities. The NCCC Security Department will assist outside agencies with these investigations as requested.
- c.** Student Housing Staff and the Campus Security Officer will gather information about the residential student from the reporting person and from the student’s acquaintances (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the physical and mental well-being of the student, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student. If the above actions are unsuccessful in locating the student within four hours of the report or it is apparent immediately that the student is a missing person (e.g., witnessed abduction), the Housing Director of Security will contact the Niagara County Sheriff’s Office to report the student as a missing person and the local law enforcement agency will take over the investigation. No later than 24 hours after determining that a residential student is missing, the Housing Director, or designee, will notify the emergency contact (for students 18 and older) or the parent/guardian (for students under the age of 18) that the student is believed to be missing, unless local law enforcement agency was the entity that made the determination that the student is missing.

### **Campus communications about missing students**

In all cases of a missing student, the law enforcement agency conducting the investigation will provide information to the media that is designed to obtain public assistance in the search for any missing student. The Director of Security, the Vice President of Student Services, or designee, is available to provide consultation on communication with the investigating law enforcement agency. Any media requests to the college will be directed to the Director of Public Relations.

### **Medical Emergencies/Injuries**

For any medical emergency or serious injury, contact the security number at (716) 731-8855 and/or a Housing Staff member for Sanborn and the RA Staff. You should inform of the nature of the problem. If you feel the situation is critical and an ambulance should be called immediately, tell Security to call 911. Be sure to identify yourself and the exact location of the emergency. Arrange for someone to meet emergency responders when they arrive, if possible.

According to the Centers for Disease Control and Prevention ("CDC"), people with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose

This list does not include all possible symptoms. CDC will continue to update this list as we learn more about COVID-19.

## Facility Information:

### Work Orders

Work orders should be submitted electronically by filling out the maintenance request form online on the Student Housing Village website home page. Emergency maintenance issues should be reported to Student Housing Staff during business hours and Security after business hours. An emergency is considered something that will jeopardize the residents' health, security, or cause damage to any person, or property. **Please remember, for fires call 911 first as you vacate your room/suite. Please pull the fire alarm on your way out of the building.**

### Students Maintenance Responsibility

The following are duties that each resident is responsible for performing to help with the upkeep and care of the building:

- Regularly clean the walls and floors around the sink, bathtub, shower, toilets, and windows.
- Please use the ventilation fan and shut the door when showering to vent excess moisture from the bathroom.
- Residents **MUST** have a plunger. If the toilet becomes clogged, and after attempting to unclog with your plunger doesn't work, then please notify maintenance promptly.
- Do not overfill closets or storage areas. Ventilation is important in these spaces.
- Do not allow damp or moist clothing, towels, or other cloth materials to lie in piles for extended periods of time.
- Clean and dust your room/suite on a regular basis.

**Routinely cleaning your suite common areas, bathrooms and bedrooms will help with the fight against spreading germs. Residents should use sanitizing cleaning supplies to disinfect areas within the suite that are high touch areas such as door handles, tables, countertops, and facet handles to assist in preventing the spread of illnesses and germs.**

**If health and wellness checks result in a citation for uncleanliness a sanction will be issued**

### Proper Use of Appliances

Students are expected to use appliances furnished in their suite in the appropriate manner. The student takes full responsibility for the appliances use, functioning, cleaning during the course of their stay. Misuse, damage, and/or injury incurred by or caused by the student are the sole responsibility of the students within each suite. The students will incur appropriate charges for maintenance and upkeep as a result of damage caused by misuse.

All appliances, fixtures and equipment provided by the Student Housing Village, or as part of the room/ suite must be used strictly in accordance with the applicable user-manuals. All replacement, maintenance, and repair costs for use of appliances not consistent with the applicable manuals or damage due to neglect shall be borne equally by the residents in such unit.

### Laundry Room

When using laundry rooms observance of the posted instructions is required. Both washers and dryers are coin operated, quarters only. Please remember that the laundry rooms are an extension of your room/suite. Your cooperation in keeping them clean and usable for the next person is required. Misuse of the facilities will result in disciplinary action.

## **Snow removal**

Please exercise care while walking in the wintertime. Facility staff are responsible for clearing the sidewalks and parking lot, however at times these areas may be snow or ice covered and extra care will need to be taken by residents.

During periods of severe weather, it might be necessary to move vehicles in the lots to accommodate snow removal. Should the need arise, signs will be posted at all entrances notifying residents that their cars must be parked in an alternative area. Any vehicle remaining in the lot during this time will be towed at the owner's expense.

## **Keys**

Keys, including fobs, are not to be loaned out and duplicate keys are not to be made. Residents are strictly encouraged to lock their bedroom doors and ensure their suite door is closed whenever you leave the room. If a key or key-fob is lost or stolen, the resident must notify the Office of Student Housing as soon as possible. Residents will be billed for any key, key-fob, and/or locks that need to be installed as the result of losing a key. Under no circumstances should a resident share their keys or fob with any other individual. Doing so will be considered an infraction subject to sanctions.

## **Elevator**

In the event of a malfunction in an elevator during non-business hours, notify the Housing Staff or Security. Activating the elevators "help button" will notify personnel. No one other than fire emergency personnel or employees of the elevator maintenance company should attempt to rescue someone caught in malfunctioning elevator.

## **The Clery Act**

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 requires institutions of higher education receiving federal financial aid to report specified crime statistics on college campuses and to provide other safety and crime information to members of the campus community.

The Office of Residence Life, in conjunction with the Office of Student Services, Office of Human Resources, and local law enforcement agencies, prepares the Annual Security and Fire Report to comply fully with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. Statistics are compiled in accordance with the Uniform Crime Reporting System of the Department of Justice and the Federal Bureau of Investigation.

To view the current electronic Annual Security and Fire Report or the Clery statistics for the Sanborn or NFCI campus please go to the NCCC campus security website at: <http://www.niagaracc.suny.edu/security/stats.php>

## **Conduct**

The purpose of this procedure at the Student Housing Village is to serve as a process to hold residents accountable for their actions when these actions are not aligned with the academic community in which they have chosen to live in as outlined in this handbook, their License Agreement, and in the NCCC Student Rights and Responsibilities (Code of Conduct).

The following pages and the SHVC License Agreement outline the types of conduct that may result in disciplinary action through the Student Housing Village Judicial System. This list is not all-inclusive.

Any conduct which also may be conducted online and/or through the use of social media is also prohibited.

Any conduct which also violates local, state or federal law may also be referred to law enforcement. Conduct which also violates the NCCC Student Rights and Responsibilities (Code of Conduct) may also be referred to the Vice President of Student Services for adjudication.

Any violation of prohibited conduct as described may result in the termination of the resident's License Agreement. If the resident's License Agreement is terminated, all resident and guardian financial obligations remain in effect.

## **Process and Procedures**

Any resident or employee (including security personnel) of the Student Housing Village, or member of NCCC may submit a complaint to the Office of Student Housing or NCCC Security. Once a complaint is received, the resident(s) who are alleged to have been involved in misconduct will be notified that a disciplinary conference is required. Notification may be made in writing and delivered to the resident's mailbox or be made in person or a resident's may be issued an appearance ticket by security personnel for violations of the code of conduct. If you are directed to appear via an appearance ticket, you must contact the designated office (documented on the appearance ticket) by the time listed on the appearance ticket.

**NOTICE: FAILURE TO CONTACT THE INDICATED OFFICE BY THE DATE LISTED ON THE APPEARANCE TICKET WILL FORCE A RECOMMENDATION OF DISCIPLINARY ACTION BASED SOLELY ON THE INFORMATION DOCUMENTED IN THE NCCC SECURITY INCIDENT REPORT.**

The disciplinary conference will be held with either the Housing Director or designee, and/or the Vice President of Student Services. At their discretion, and in cases where the welfare of the accused resident, other residents, or Student Housing Village, is considered to be at risk, the accused resident may be removed from housing until this procedure has been completed.

At this meeting, the resident will be provided a description on the incident and the alleged infractions.

The resident will be given an opportunity to respond and present an account of their actions.

The resident is expected to be honest and encouraged to ask questions. Failure to appear for the scheduled meeting will result in a decision regarding culpability being made without the benefit of the resident's account.

After the disciplinary conference is held, the staff member will decide, based on available information, whether the resident is found to be responsible or not responsible for the alleged infraction(s). A resident will be found responsible if the evidence available suggests that is more likely than not that the resident's conduct violated Student Housing Village policy. As this procedure is used to hold residents accountable for their actions, it is not necessary for there to be proof beyond a reasonable doubt when determining the resident's culpability.

## **Amnesty**

The health and safety of every student at the College is of utmost importance. NCCC recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The College strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to institutional officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to College officials or law enforcement will not be subject to the College's code of conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault
