Dear Student:

The Niagara County Community College Financial Aid Office has received your application for financial aid for the 2023-2024 academic year. The Department of Education has flagged your file for having an **unusual enrollment history**.

Before any form of federal financial aid (including student loans) will be offered to you, you must provide official college transcripts from any colleges you have attended.

If the transcripts do not show that you earned credit hours at each of these colleges during the semesters attended, you will also need to provide a written explanation from an academic advisor at each college attended as to why you did not earn credit hours and why you are moving from one college to another during this brief period of time. Third party documentation will need to be supplied to corroborate any statements made by you.

Once the above information has been received your application will be reviewed and a determination of your eligibility will be made at that time.

If you have any questions, please feel free to contact me.

Sincerely,

James Trimboli  
Director of Financial Aid
