

NIAGARA COUNTY COMMUNITY COLLEGE

Liberal Arts and Sciences: Humanities and Social Sciences

(Jointly Registered with SUNY College at Buffalo - Childhood Education 1-6 BS), A.A.

Overview

For the student who is ready to teach, our jointly registered program with SUNY College at Buffalo provides a fast track from our classrooms to the classes in which you will be instructing. The NCCC curriculum equips future teachers with lessons in positive learning environments, class materials, teaching methods, and meeting the needs of students in grades one through six. Upon graduation, you will have teaching experience, transferable credits, and the foundational skills for a career in education.

Designed for transfer into a 4-year institution.

Careers

Careers related to your program of study:

- Elementary School Educator

Career will require more specialized education.
