

NIAGARA COUNTY COMMUNITY COLLEGE

Liberal Arts and Sciences: Mathematics and Science, A.S.

Overview

At the heart of this program, you will be able to gain a strong math and science background while obtaining an introduction to other disciplines in the liberal arts as well. The information, concepts and attitudes conveyed in these courses are easily applied to any career goal, especially those focused on obtaining jobs in education, medicine, research, biology, biochemistry, physics, chemistry, engineering, and meteorology.

Designed for transfer into a 4-year institution.

Careers

Careers related to your program of study:

- Actuary
- Engineer
- Mathematician
- Meteorologist
- Pharmacist
- Physician
- Scientist

Some careers may require more specialized education.
